

# Deep Water Gold

- Objective:
  - Dive underwater to retrieve goods and valuable objects.
  - Dig treasures and gadgets using an axe.
- Mechanics:
  - The camera follows the player, similar to Mario games.
  - Players must return to the surface within a set time to breathe before diving again.
- Challenges:
  - Dolphins push the player without causing harm.
  - Piranhas slowly deplete health.
  - sharks deal faster damage and pose a greater threat.

# Shaolin Penalty Shootout

- Objective:
  - Perform flips to shoot the ball into the goal.
  - Ball can bounce off the goal frames.
- Key Features:
  - Unique acrobatic mechanics.
  - Stylized animations for penalty kicks.

# Bullet Ninjas

- Objective:
  - Player fights against other ninja players.
  - Use boxes thrown at the player and slash them mid-air.
- Mechanics:
  - Dynamic ninja combat with fast-paced action.
  - Focus on reflexes and precision.

# Multi-player: Guess the Bomb

- Objective:
  - - Players take turns guessing which box contains a bomb.
  - Bet points or money on each round.
- Key Features:
  - Display probabilities based on the remaining boxes.
  - Players can offer their turn to another player for a higher wager.
  - Winning animations to celebrate victories.

# Hood Package Deliverer

- Objective:
  - Deliver packages while avoiding unexpected dangers.
- Challenges:
  - Dogs chase the player unpredictably.
  - The number and timing of dog appearances are random.
- Mechanics:
  - High-speed chases with strategic movement to evade threats.
